Boost: Don't Knock

The Town Council will meet next Monday evening. The matter of granting a spur track to the Stauffer Chemical Company will come up for final hearing. It is to be hoped that those members who are inclined to oppose the franchise will consider the town's welfare and the benefit this company will do for Redwood City and vote for the franchise. Public opinion favors it, and as the members of the board are servants of the people they should carry out the will of their constituents. It is safe to say that nine-tenths of the voters of Redwood City want the company to locate here, knowing full well the vast benefit that will follow the establishing of the soda ash plant here. We cannot understand why there should be any opposition to an enterprise that promises so much good. We trust the board on Monday evening will be unanimous in favor of the franchise.

NOTICE OF LOCAL IMPROVEMENT

Notice is hereby given that the Board of Trustees of the Town of Redwood City, County of San Mateo, State of California, did on the 13th day of May, 1907, pass and adopt a resolution adopting the report of the engineer theretofore filed with the clerk of said town, and providing for doing the following proposed street work in said town, to-wit:

Get a habit of going to the Red Front Cigar Store for your tobacco and cigars. Owing to the fact that a great amount of goods are sold there the cigars and tobacco are always fresh and delightful. There are none in town to equal the Golden Eagle and Oakwood cigars. They are delicious and smokers find real comfort in them. Try a few and be convinced.

George C. Ross, who has served the Sequoia Union High School so long and so well as a Trustee from Belmont, has resigned because of press of work. Mr. Ross will be missed from the Board, as he has been indefatigable in his endeavors to keep our high school up to a high standard. Mr. Ross has been succeeded by W. A. Emmett, who was appointed by Superintendent Cloud.

The salary of the Redwood City post-office has been raised \$100 by the Washington authorities. This makes the annual salary \$1900. It has been raised yearly. When George Lovie was appointed nine years ago the salary was only \$1300. This annual increase shows that Redwood City is in the march of progress and forging right ahead.

Carl Hass, who has been employed for the past three years at the Del Monte bakery, has gone to Chicago. He will return in six months.

Mrs. George W. Lovie and her daughter May will return to-morrow from Los Angeles, where they have been for the past three weeks. Mrs. Lovie was a delegate from Olive Branch Rebekah Degree Lodge to the grand session of the Rebekah assembly. After the adjournment of the assembly Mrs. Lovie spent some time with friends. She had a delightful sojourn in the south.

Miss Florence Howard and her mother depart for Eugene, Or., Monday and will remain with the latter's daughter. That place will be their home for some time. Miss Howard has been for the past three years the Latin and German teacher in the high school and was very popular with the students and faculty.

San Mateo vs. Redwood

To-morrow is the day that the baseball fans of San Mateo county have been anxiously awaiting since the opening of the season, for it is then that the undefeated San Mateo team will come to Redwood to cross bats with the home nine in the first game in a series of three for champion honors of the season of 1907.

Both teams have been strengthened for this particular occasion and are in fine fettle for the struggle. Sunday's game should be one of the hardest battles in the history of baseball ever fought out in this county. Five hundred fans will accompany the San Mateo boys to Redwood, and as large delegations will be present from Belmont, Menlo Park, Palo Alto and Mountain View, the largest crowd that has ever witnessed a game on the local grounds is looked forward to.

"Wizard" Seitz, the Mountain View wonder, will twirl for Redwood, while Forsythe, the Coast League pitcher, will do the box honors for San Mateo. The Redwood City band will be on hand to entertain the crowd and a great day's sport is promised.

The line-up of the two teams for the series is as follows: San Mateo—Rapp, Smith, Meyers and Keegan, fielders; Hoerckorn, first base; Finger, second base; A. Shafer, third base; Kennedy, short stop; S. Shafer, catcher; Forsythe, pitcher. Redwood—Bott, Haight, Curran and Allain, fielders; Becker, first base; Burg, second base; Knight, third base; Repholtz, short stop; Vargas, catcher; Seitz, pitcher.

Extras: San Mateo—Kilborn, Joe Corbett and Brown. Redwood—Wagner, Barg and Ganso.

The game last Sunday between the Senators of San Jose and the Redwoods was won by the latter by a score of 8 to 7. It was a close and exciting contest from start to finish. At the end of the ninth inning the score was even—7 to 7 and another inning was ordered by the umpire. Ganso was still suffering from injuries received in the game with the Pensacolas, so Allain officiated behind the bat for Redwood, and his work with the big glove was the feature of the game.

Since the big earthquake no subject has been more talked of than the coming plagues. Just one week from to-day and there will be not only loud talking but acting also. From reports received it looks as though the whole peninsula were turning its face to New Sunset. For one day at least care will be thrown to the wind. Good fellowship, fun and merriment will prevail. The disappointed and disgruntled will stay at home, also the vulgar and disorderly. The committee has prepared a program of games to please excursionists of all ages and conditions. Suitable prizes will be awarded winners in the various contests. Benediction—

L. P. Behrens, president of the Board of Trustees delivered the following well-timed address to the graduating class:

Members of the class of 1907: I take great pleasure in extending to you the hearty congratulations of the Board of Trustees upon your completion of the High School course.

The present moment mark an epoch in your lives. It is a time toward which you have been striving for the last four years, to say nothing of the years spent in the Grammar School.

We have watched you since your first entrance into the High School and have been glad to note your growth, both physical and mental. Your record in school activities has been such as to cast honor upon yourselves and upon your school. It has been a source of great pleasure to the Board as well as to your teachers to see the way in which you have taken advantage of the facilities provided by the generous people of this district.

We have been pleased to see you accepting the cramped conditions following the resumption of school work after the memorable days of April of last year. These cramped quarters will remind you of the school rooms of long ago from which so many of our best citizens have come. As the years pass away you will recall with pleasure the time spent there and will count it the most helpful period of your lives because in addition to the things gleaned from books you have learned how to make the best of unpleasant circumstances and to bend your energies to hard work and command results in the face of surrounding which would tend to divert your attention. You can never over-estimate the value of these lessons in the formation of character. They will mean more to you than most of the things you have gotten from books. Prof. Lange, the new head of the Department of Education of the State University, said recently that the written or printed page did not become true language until it was made alive by means of the human voice. So the things you have studied will not be of real worth to you or to your fellows until you have transformed them into action guided by your own personality and character.

During the last four years you have been under the careful guidance of the teachers of this school. To them you are indebted in large measure for what you have accomplished. The only reward they ask of you is that you shall live up to the high standard they have set for you and show by your actions and accomplishments that you have profited by their instruction. You owe a debt of gratitude to this community which can be paid only by showing yourselves to be worthy citizens of the great republic. We believe that you will repay your teachers and the people of this district for their sacrifices in your behalf by giving back to them the refined and cultured manhood and womanhood for which they have been preparing you.

You have doubtless seen the narrow, swinging foot-bridges which cross the little mountain streams. They are valuable only in that they are connecting links between one bank of the stream and the resource which lie on the other side. So your years of study have been years of preparation, a means to an end. It was not the mere accumulation of knowledge you were after, but the preparing of yourselves for better service and fuller living when school days are over. And let me urge you to continue your reading and study throughout your entire lives. Each day brings its advancements of science, and art, and invention re-marks. You cannot afford to leave off for brief time even the course you have begun in the pursuit of knowledge.

I therefore urge upon you a habit of thought that will make you masters of yourselves and of your surrounding. Weave into character the

precepts you have learned in the class-room; live out the high principles of right conduct which you have found portrayed in the noble men and women of history and literature and you will have accomplished the task for which you came within these walls.

It now becomes my pleasant duty as President of the Board to present you with these diplomas as testimonials of the work you have done in the Sequoia Union High School, and as I distribute them it is with congratulations on your completion of the course and with best wishes for your future welfare.

Ball Caught in Arizona

The Sheriff's office received a telegram from Tucson, Ariz., on Thursday announcing the arrest of John Ball, who jumped his bail bond some months ago and left for parts unknown. Ball is charged with the crime of rape, committed at South San Francisco. He was arrested and was released on a bond of \$2000, his sureties being Supervisor Julius Elkerenkotter and Mr. Lind of South San Francisco. The night before his examination before Justice McSweeney he skipped out, and ever since Sheriff Chatham and his deputy, Frank Bartlett, have been in hot pursuit, sending circulars broadcast and keeping in touch with all the officers on the coast. A few weeks ago Ball was seen at Los Angeles. From there he went to Arizona.

Ball has a wife and family in South San Francisco. Up until the commission of the crime he was employed at the packing-house and bore a good reputation. Mr. Elkerenkotter, who had known him for years, had no hesitation in going on his bond.

Sheriff Chatham left last evening for Tucson to bring back the prisoner.

The Sheriff Is Busy

Sheriff Chatham is a very busy man these days. The United Railroads began to operate its cars Wednesday on the San Mateo line. In many places the rails were torn up and large obstructions placed across the tracks. Wednesday evening large crowds gathered at Colma, and by jeers and shouts made it disagreeable for the carmen. The Sheriff has but few deputies and is unable to properly cope with the situation.

Most likely a demand will be made on the Supervisors next Monday for an appropriation to pay a large number of deputies to protect the property of the United Railroads. There is a large territory to patrol and a number of men will be required. The company has written to the authorities asking for protection of its property. They demand this in view of the large amount of taxes paid into the county treasury annually.

Lovie Takes Over Mining Property

Goldfield (Nev.) News. The Big Mitt group of copper claims at Fitting on which Otto Taubert of Cripple Creek, Colo., held an option was sold on the 18th to W. G. Lovie of Yerington, who will incorporate and develop the property under the name of the Yermaldia Copper Mining Company.

The showing on the Big Mitt is similar to that of the Paymaster recently sold to Malcolm MacDonald and consists of an iron gossan 50 to 100 feet wide with copper carbonates on the limestone and granite contact.

The property being developed by T. L. Oddie near the Big Mitt has already exposed some good ore after only a few weeks sinking, the shaft now being in cuprite and carbonate ore.

Mr. Lovie has made several important deals lately. He turned an option on two-thirds of the capital stock of the well-known Kennedy Consolidated Company at Buckskin. The deal represented, approximately, \$100,000.

May be Married Today

Stanley Rice and Miss Aimee Jacobus, two prominent young people of this city, will be united in marriage shortly; in fact, the wedding may take place this afternoon at San Jose. The young people are not taking any one into their confidence, but from the arrangements being made the event is likely to take place this afternoon. The honeymoon will be spent at Los Angeles.

Mr. Rice is the only son of Mr. and Mrs. George H. Rice of Redwood City and is a graduate of the Sequoia Union High School, and for some time attended Stanford, where he was quite popular. He is associated with his father in business. Miss Jacobus is the eldest daughter of Mr. and Mrs. Charles A. Jacobus of this city. She is a very popular young woman, highly accomplished and the possessor of a sweet disposition that has gained her a host of friends. May their wedded life be a happy one.

Orrin Bailey, formerly manager of the Indiana Furniture Company of San Francisco, has accepted a position with Schneider & Smith of San Mateo. He will remain until the return of Mr. Smith from his honeymoon in June and maybe permanently employed. Mr. Bailey is married to a former Redwood City belle, Miss Sarah Welborn.

The Woodmen of the World will hold their memorial services in honor of their dead members on July 9th. The members of Emburyadero Camp No. 256, accompanied by Robin Hood Circle No. 517, Women of Woodcraft will meet at their hall at 2 p. m.

MEMORIAL DAY FITTINGLY OBSERVED

High Tribute Paid Nations Honored Dead

Memorial Day was observed in Redwood City this year by the Grand Army of the Republic, the Ladies of the Relief Corps and the pupils of the public school. The memorial services were held in the Alhambra. Rev. C. C. Kirtland opened the meeting with a prayer after which Post Commander Mansfield made a few appropriate remarks. The school children sang several selections and recited patriotic selections. Mr. Arthur Free of Mountain View was the orator of the day and paid the veterans many compliments and admonished the teachers present to endeavor to instill into the hearts of their pupils that love of country which impelled the boys of '61 to go forth and fight for their country. Miss Marie Bernhart sang "The Star Spangled Banner" which was followed by "America" by the audience. The line of march was then taken up to the cemetery where the graves of the departed heroes were decked with beautiful bouquets.

Miss Marion Taverner, a student at the University of California, is in Redwood City visiting her father, Mr. and Mrs. J. J. McCormick of San Francisco are visiting relatives and friends here this week.

Percy Wilson was visiting his parents in this city yesterday. He is located for the present in Lower California and starts on his return today.

The First, Fifth and Ninth field batteries of the presidio, San Francisco passed through here Tuesday on their return from Monterey where they have been practicing target shooting.

Under Sheriff Bartlett has been occupied lately in arranging the county regency gallery in a systematic manner. He has taken each photo and typed on this back a complete description of the criminal and his crime, sentence, number of convictions and other data. This will prove an officer of a great deal of work in searching through several volumes of criminal descriptions.

At a meeting of the local school trustees this week it was decided to raise the salaries of the teachers to such a figure as will be justified by the present conditions, and the valuable services rendered by the young ladies in charge of the classes. The new pay schedule will range from \$70 to \$75 per month according to grade. The present school board has long realized that the teachers of this district, as in other districts, have been underpaid and they have taken advantage of this first opportunity to reward them adequately.

In order to bridge over if possible the deadlock between the Stauffer Company and the city council regarding the spurtrack a number of citizens held a meeting at the town hall Monday afternoon at which three members of the board were present. Haver, Lischer and Hynding. After a discussion of the company's application it was decided to invite Mr. Stauffer to again visit Redwood and meet the trustees. It is hoped that some agreement will be reached by which the Stauffer Company will be enabled to locate here.

An Awful Shock.
The deputy stage manager at the Theatre Royal, Dublin, at one time was a little man named Linders, who had a strange dislike of the ladies of the ballet and treated them rather harshly. He wore a wig, but the fact was not generally known. On one occasion, however, an engaged couple seized him by the hair, and off came the wig, exposing a shiny expanse of cranium. He at once dashed off to complain to Mrs. Harris, the manager's wife, but the good lady could only gasp in stupefied tones, "Good gracious, Mr. Linders, why, you are bald!" To which Linders instantly replied: "No, madam, no. My hair became loose with horror!"

Sheriff's Sale
By virtue of an execution, issued out of the Superior Court of the County of San Mateo, State of California, and to me directed and delivered for a judgment rendered and entered in said Court, on the 13th day of May, 1907, in favor of John A. Bettencourt and against A. D. Drumm I have levied on the following property, to-wit:

Some Redwood City Have Learned How to Get Rid of Bots

Backache and kidney ache are twin brothers. You can't separate them. And you can't get rid of the backache until you cure the kidney ache. If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health. Doan's Kidney Pills make strong, healthy kidneys. Captain N. Nason, retired, of 3528 Twenty-second street, San Francisco, says:

I am not certain whether a fall I met with some seven years ago was the primary cause of my backache or not, but I noticed from then on I was subject to attacks. Knowing that my kidneys were either sluggish or overworked I took Doan's Kidney Pills were for those organs alone they might backache, and I took them. They stopped the aching. I will be pleased to recommend Doan's Kidney Pills when opportunities present themselves.
